General Hospital

# *Spiritual Care Services*

***Caring for patients, their  
families and hospital  
staff.***

(Disponible en français)

***“The spiritual dimension of every person is that which seeks meaning, purpose, hope and love.”***

and those who claim no faith tradition at all.

**Spiritual care services include:**

- ❖ Emotional support to those experiencing health issues.
- ❖ Spiritual support and presence to you and your loved ones.
- ❖ Pastoral counseling
- ❖ Support relating to loss and grief.
- ❖ The provision of religious rituals (i.e., scripture readings, sacred music, prayers and sacraments) as requested.
- ❖ Referrals to appropriate clergy/faith leaders as requested.
- ❖ Bereavement support and referrals.
- ❖ Assistance with the planning of funerals, celebrations of life and memorial services.

**Why Spiritual Care?**

At NSHA we believe a holistic approach to care promotes health.

The hospital chaplain is a trained professional who supports persons from all faith traditions,
