

Join the Board of Directors for

Georgian Bay General Hospital Georgian Bay General Hospital Foundation

Guided by their vision – *We Make Excellent Care Personal* – Georgian Bay General Hospital (GBGH) is committed to providing excellent care to the residents of the broader North Simcoe region. Led by a passionate and committed Board, an outstanding Leadership Team, 750+ employees, professional staff complement of 200+ and 100+ volunteers, the organization has launched an ambitious 7-year strategic plan, designed to meet the health care needs of a rapidly growing population. GBGH is guided by the strategic pillars of Continual Excellence, Trust and Belonging, Dedicated Team and Sustainable Growth.

GBGH is extremely fortunate to have the unwavering support of its community and a committed partnership with its Foundation (GBGHF), to ensure that the organization is empowered to deliver excellent health care to the communities it serves. The Foundation is led by a dedicated and resourceful Board of Directors, and an exceptional team of 8 fundraising professionals, who work tirelessly to inspire generosity within the community, strengthen health care through investment in the hospital, and celebrate the impact of philanthropy.

Here is your opportunity to take part in the success of these two critical community partners. GBGH and the GBGHF are looking to fill between four and six Board Director roles across both organizations. Both are skills-based, volunteer boards, providing an excellent opportunity for community members to contribute to and shape the future of healthcare delivery in North Simcoe while playing an important governance oversight role. To be eligible to join the Board of either the Hospital or the Foundation, candidates must have a primary or secondary residence or operate a business in the primary service area of the hospital, including Towns of Midland & Penetanguishene, as well as the Townships of Georgian Bay, Tiny & Tay or Christian Island.

For both Boards, we are seeking to attract experienced candidates who bring relevant board governance experience in medium to large public sector organizations, dealing with complex structures and issues.

A recent evaluation of the skills matrix of the Hospital Board has identified the following areas of priority in recruiting new members:

- Government Relations/Public Policy
- Capital Redevelopment
- Clinical Care Delivery

In the case of the Foundation, the Board has identified the following areas of priority in recruiting new members:

- Fundraising/Philanthropy experience
- Diversity, Equity, Inclusion & Belonging
- Large Capital Campaigns

GBGH and the GBGHF also have a strong desire to have our Board closely reflect the diverse populations served by the hospital. We invite applications from all genders, all races and ethnicities, people of all abilities, Indigenous peoples, LGBTQ2S+ persons and bilingual or multilingual individuals. We are committed to providing all applicants with equal opportunities.
