

Surgical Safety Checklist (SSC) Compliance

GBGH started the new FY 25/26 with **100%** Surgical Safety Check List Compliance for April and May however, dipped to **99%** in June. Q1 will still show as **100%**. Q2 and Q3 were both completely **100%**! Q4 had February at **100%** but both January and March came in at **99%**. Once again, Q4 will still show as **100%**!
